

# Application for Remote Net Metering “RNM”

## Program Definition/Public Service Commission (PSC) Law Reference

Remote net metering is generally available to non-residential customers that own or operate generating equipment, or residential customers who own or operate generating equipment on a farm operation, as defined in Public Service Law Section 66-j or Section 66-l, that is net metered pursuant to the applicable special provisions of NYSEG (“The Company”):

- Pursuant to General Information Sections 22, 23, 24, 27, 30 & 31 of PSC No. 120 – Electricity (“Tariff”)

## Eligible Service Classifications “SC”

- Host Account SC: Non-Residential (6,9,2,3 or 7), Residential farms only (1,8 or 12)
- Satellite Account SC: Metered services only: Residential (1,8 or 12), Non-Residential (6,9,2,3,7 or 11)

## Overview

Remote Net Metering allows non-residential customer generators to apply excess generation credits from the customer’s generator (“Host Account”) to other meters on property that is owned or leased by the same customer and resides within the same load zone as the generator (“Satellites”).

- i. A Host Account cannot also be a Satellite Account
- ii. Satellite Accounts are subject to review and approval by the Company prior to credits being applied
- iii. Satellite Accounts may also be a net metered account and/or Satellite Accounts may have more than one Host Account
  - § The **name plate rating** of the Net Metered Generation Facility(ies) designated as Host Accounts to be applied to a Satellite Account **shall not exceed 2 MW in aggregate**, including the name plate rating of a Net Metered Generation Facility located at the Satellite Account.

## Application Submission\* and Inquiries:

### New Interconnect Projects

- Initial Enrollment: The Remote Net Meter application **must** be returned **within 30 days** after the interconnect date.
- Billing Effective: Remote Net Metering will commence with the first full Host invoice issued after the interconnect date.

### Existing Customers (Net Meter or Remote Net Meter)

- Annual Enrollment period: **1/1 through 1/31** each year.
- Billing Effective: Effective with the first full Host invoice issued after March 1 of the same enrollment year.
