Agreement and Signature		
By submission of this application, the applicant and person signing on behalf of any applicant subscribes and affirms, under penalties of law that the statements made in this application for inclusion to the Trade Ally Network have been examined and to the best of his/her knowledge and belief are true and correct. The applicant affirms that no person named in this application is subject to disqualification under the terms and guidelines of New York State unless herein stated. The applicant understands that by signing this application it consents to any other inquiry to verify or confirm the information given herein. The applicant understands that this application for inclusion on the Trade Ally Network does not guarantee that inclusion will be granted but will be used in the determination of eligibility for inclusion.

**Terms and Conditions**

1. Applicant approval will be effective as of the date of an Application Approval email from the Program and Applicant will be subject to these terms and conditions and all program-specific terms and conditions for participation. Trade ally approval will be effective for a term of one year from the date of the Application Approval email but shall in no event terminate later than December 31, 2016, and will automatically renew each year on the anniversary of such Application Approval email for an additional one year period, unless otherwise suspended or terminated in accordance with these terms and conditions, or any program-specific terms and conditions.
2. Once approved as an NYSEG and RG&E Trade Ally, Applicant may be listed on NYSEG and RG&E websites (nyseg.com or rge.com), as a participating trade ally.
3. All Trade allies must submit and complete, in accordance with NYSEG and RG&E requirements, a minimum of one (1) qualifying energy efficiency project with the C&I Rebate Program or Multi-Family Energy Efficiency Program each program calendar year. After the trade ally has completed a successful project, the trade ally company will be listed on the NYSEG and/or RG&E websites (nyseg.com and/or rge.com) as a participating trade ally company in the network.
4. Trade ally status may be terminated without penalty by trade ally or by Program Representative for any reason, at any time. Written notice of termination must be sent by the terminating party to the non-terminating party by mail, fax or email. When termination is initiated by written notice, termination will be effective as of the date the termination letter is received by the non-terminating party.
5. NYSEG and RG&E will provide Applicant with informational training materials and additional training as required by each NYSEG and RG&E program for which Applicant has been approved.
6. Applicant must comply with all laws and maintain all appropriate licenses, registrations and certifications for the work it is performing.
7. Applicant will indemnify, reimburse, hold harmless and defend NYSEG and RG&E, as well as its directors, officers and employees, agents and other consultants from any claims, liabilities, damages, costs and expenses of any kind, including but not limited to all fees and charges of engineers, architects, attorneys and other professionals and all court or arbitration or other disputed resolution costs arising out of or connected in any way with any act or omission of Applicant, its employees, agents or subcontractors of any tier or any other entity or person for whom Applicant is liable, in the performance or nonperformance of services as a NYSEG and RG&E Trade Ally.
8. Applicant understands that there will be inspections and verifications of trade ally work in accordance with policies and procedures of each of the NYSEG and RG&E programs. Applicant must cooperate with these inspections and verifications, and continue to perform at an acceptable standard. Inspections will verify the project for program purposes only, and no warranty for any purpose is expressed or implied. If Applicant does not perform at an acceptable standard and, as a result, has its participation as a trade ally terminated, Applicant will no longer be entitled to any trade ally benefits.
9. Once approved as a NYSEG and RG&E Trade Ally, Applicant is authorized to use the NYSEG and RG&E trade ally logo consistent with NYSEG and RG&E logo usage guidelines, provided that Applicant submits the proposed materials for review and written approval by NYSEG and RG&E 15 days prior to such use. Trade Ally shall immediately cease using all Program related logos upon termination of this Agreement.
10. Applicant agrees to represent its business in an ethical, professional manner and as an independent contractor and at no time will it represent its business as an agent or representative of NYSEG and RG&E. Applicant will act as an independent contractor to provide services to its customers, and no employee of Applicant will be considered, for any purpose, to be an employee, agent, partner or representative of NYSEG and RG&E. Any contracts between Applicant and its customers or any third parties shall clearly and conspicuously express that no agency relationship exists between NYSEG and RG&E and the Applicant. Applicant has no power or right to bind NYSEG and RG&E or act on its behalf when dealing with customers or third parties. Applicant and NYSEG and RG&E shall not exercise any control or supervision of one another, nor be responsible for each other in the performance of any service.
11. Applicant understands that NYSEG and RG&E is not endorsing its business, or warranting or endorsing any equipment that may be sold by Applicant. Under no circumstances shall NYSEG and RG&E be liable to Applicant for any direct, indirect, special, consequential or incidental losses, costs or damages arising from or related to any representations, equipment or installation under the program.
12. Trade ally status may not be assigned. Applicant may discontinue participating as a trade ally by notifying NYSEG and RG&E in writing of that decision. NYSEG and RG&E may suspend and or end Applicant's participation at any time, in its sole discretion, by notifying Applicant in writing of that decision or in accordance with the program requirements for any program for which Applicant has been approved as a trade ally. NYSEG and RG&E reserve the right to terminate or modify the NYSEG and RG&E Commercial and Industrial Rebate Program or Multi-Family Energy Efficiency Program at any time and without prior notice to Applicant.
13. NYSEG and RG&E and its representatives shall have no responsibility for the discovery, presence, handling, removal, or disposal of or exposure of trade ally or any other persons to hazardous materials of any kind in connection with Applicant's participation in any NYSEG and RG&E program, including and without limitation asbestos, asbestos products, PCBs or other toxic substances.
14. Applicant understands that this agreement in no way changes any existing or future relationships with NYSEG or RG&E including but not limited to NYSEG and RG&E's role as electricity and / or natural gas utility as outlined in PSC No. 119, PSC No. 120, PSC No. 121, PSC No. 16, PSC No. 18, PSC No. 19 and any other governing regulatory documents.
