Qualified Products & Connected Vehicles Lists

Residential Single-Family Homes: Participation Paths

Customers can choose to participate in this program through a qualifying Level 2 Smart Charger **OR** by using smart capabilities that are built into the onboard computer of some electric vehicle models.

1. Level 2 Smart Chargers (Qualified Products)

You can qualify for the Smart Charger Rebate when you purchase and install one of the qualifying models of Level 2 Smart Chargers listed below.

Charger Manufacturer / Brand	Charger Model
ChargePoint	Home Flex CPH50
EnelX	Juicebox 32, 40, 48

OR

2. Vehicle Connection (Telematics)

If you do not have a Smart Charger, but your electric vehicle is on the list below, you can receive an Enrollment Incentive through the program. Instead of connecting to your vehicle through a Smart Charger, we will use the smart capabilities of your vehicle's computer via telematics.

BASELINE Tier of Participation	
Electric Vehicle Make	**Electric Vehicle Model**
Audi	**e-Tron** (2019+), **Q4 e-Tron** (2022+), **A5 PHEV** (2022+), **A7 PHEV** (2021+), **A8 PHEV** (2019-2021)

***Please note**: if your vehicle's make and model is not on your utility's list, you can still participate in this program by purchasing and installing a qualifying Level 2 Smart Charger. Conversely, if you purchase and install a qualifying Level 2 Smart Charger, these lists of vehicles do not apply.*

The equipment will differ depending on charger models, software, costs, and manufacturer details. Neither New York State Electric and Gas nor Rochester Gas and Electric offer preferences or recommendations for any of the approved equipment models or EV models. Program participants are responsible for determining the suitability of these products and services.
