#### Your messages:

Are you considering an additional natural gas load for your home or business? If so, please contact Maine Natural Gas before installing new equipment. We will review your service line, regulator, and meter to ensure the design is correct for your increased load and pressure changes.

Dig Safely – Before you dig – state law requires you to call Dig Safe at 811. Whether you do it yourself or hire a professional a safe job starts with a call to Dig Safe.

Moving or selling your home? Please call Maine Natural Gas customer service to make arrangements for us to close your account properly. Usage of natural gas will remain your responsibility until your account has been properly closed.
