

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 25-T-0236 - Petition of New York Electric & Gas Corporation
for a Certificate of Environmental
Compatibility and Public Need, Pursuant to
Article VII of the Public Service Law, for the
Malone Transmission Rebuild Project.

NOTICE OF VIRTUAL PUBLIC INFORMATION FORUMS AND
PUBLIC STATEMENT HEARINGS, AND SOLICITING COMMENTS

(Issued November 12, 2025)

On April 11, 2025, New York State Electric & Gas Corporation (NYSEG) filed an application for a Certificate of Environmental Compatibility and Public Need (Certificate) pursuant to Article VII of the Public Service Law. If granted, the Certificate would authorize NYSEG to construct, operate, and maintain the Malone Transmission Rebuild Project (the Project). This Project consists of NYSEG's proposal to rebuild and replace its existing 115 kilovolt (kV) Line 910. Line 910, which is approximately 11.1 miles in length, and connects the Malone Substation in the Town of Malone to the Willis Substation in the Town of Chateaugay, traverses the Towns of Malone, Bellmont, Burke, and Chateaugay, in Franklin County. Because the rebuilt line would be offset from the original line in the existing right-of-way, NYSEG is proposing to expand the existing right-of-way and will need to acquire additional property rights to do so. Full details are outlined in the application.

Under New York State Law, the Public Service Commission (Commission) may adopt or reject NYSEG's proposal, in whole or part, or modify it. In doing so, the Commission will consider, among other things, comments from the participating parties and the public.

PLEASE TAKE NOTICE that opportunities for public information and comment regarding NYSEG's proposal will be provided, virtually, as follows:

Members of the public will then have an opportunity to ask questions about the process and the pending application.

Each informational forum will be followed by a virtual public statement hearing where all those wishing to comment on NYSEG's request will have an opportunity to make a statement on the record before an Administrative Law Judge (ALJ). **Any person wishing to provide a public statement on the record during a virtual public statement hearing must register to do so by 4:30**

p.m. on Monday, December 1, 2025, in accordance with the instructions set forth below. No registration is necessary for the information forums.

To register and provide a statement electronically:
