Yes, I would like to apply for the EV Phase-In Rate. By signing below, I acknowledge that I have reviewed the appropriate NYSEG (NYSEG EV Phase-In Rate tariff) or RG&E (RG&E EV Phase-In Rate tariff) Electric Vehicle Phase-In Rate (EV-PIR) program tariff on the New York Department of Public Service’s website. I understand the program’s eligibility requirements, billing structure, load factor tier calculations, time-of-use energy delivery charges, and the conditions related to charging ratio and metering. I agree to comply with all terms outlined in the applicable tariff and understand that participation in the EV-PIR is voluntary. I also acknowledge and agree that my continued participation in the program indicates my acceptance of any updates or modifications to the EV-PIR tariff.
